January 5, 2021

Fellow Club Members:

Enclosed you will find the Notice of Open Nominations for the Election of 2021 Officers and Board of Directors for our club. This annual election is conducted in accordance with the Constitution and By-Laws of the Pinelands Retriever Club of New Jersey, Inc.

Our current Officers and Board of Directors have been contacted by the Nominating Committee and have graciously accepted the nomination to continue their current positions this year with the exception of Joe Eschert who held the position of Vice President. Many thanks to Joe, who has given decades of service to our club. Jay Pinto has agreed to serve in this position. With that said, our nominations are open and if anyone is interested in nominating someone for any of the positions, the procedures for doing so are outlined in the enclosed letter and are also outlined in our club's constitution.

Also included in this mailing is our 2021 membership renewal form that is due by March 1, 2021.

Thank you all for bearing with us as we continue to navigate through the current conditions and look forward to resuming our "normal" schedule of activities.

Sincerely,
Dawn Romanczak
